

The Ultimate Advantage

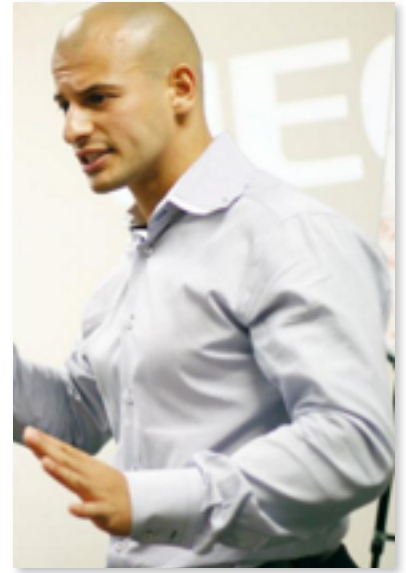

Develop the 2 most important skills that will give you the edge over your competition

Betsy Allen-Manning

Tonya Spence

Dragan Trajkovski

Come experience the top Tony Robbin's trainer and the top 2 People Experts in the nation at this rare event. This is the first time you will get a Tony Robbins training, mixed with a certified John Maxwell and DISC training all in one. If you've ever wondered why some people seem to have it all and others struggle to make it; or why some people get along with everyone yet others seem to be in constant conflict, this is the event to be at. There are 2 proven skills that separate the mediocre from the outstanding in business, and this seminar covers both of them....People Skills and Mindset Skills.

You will learn:

- How to develop an unshakable, unstoppable mindset that will give you the unfair competitive advantage
- How to understand and build a connection with the 4 personality styles.
- What your motivation is and how to perform in your strength zone.
